Same lots as Class B

**CLASS E  
DIGITAL ARTS**

**Lot:**

1. **Digital Photographic Compositing**  
Use of photographic images

from a variety of shots utilized to create the final scene. The final piece could be a collage or take on the feel of a sur realistic photographic scene. However, the final piece must be photographic in nature.

**2. Photo Manipulation**

Photographic sources altered with digital special effects or filters. Images for this category are for work that could look photographic, abstract or painterly. The process should entail photographic image or images where digital effects and filters are used to go beyond a photographic look. Appropriate techniques include digital images with more sophisticated layering techniques of imagery, photos smudged or cloned to look like paintings but which maintain the composition of the original photographs, filter effects on digital photos or modifications or color, such as posterizing, extreme saturation or desaturation.

**3. Digital Panoramics**

Images stitched together using programs like Photoshop, Autopano and PT Gui to create a single vision of a photographic theme. The size of the matboard may be any size to 24" maximum on the longest side. The final presentation could be an elongated vertical (long and narrow), horizontal or square, with a maximum of 24" in any direction.

**JUDGING CRITERIA:**

1. Picture Composition
2. Clarity
3. Focal Point
